To deliver competent, meaningful and receptive education in a positive atmosphere to attain maximum growth and success for students.

VISION

To harmonize our strength and expertise to deliver best to the student, ensure their success and emerge as one of the eminent coaching institutes of India.

CONGRATULATIONS
RIBOSOME IS PROUD OF YOU

YASH RATHORE | AIIMS, NAGPUR

DIRECTORS DESK

Welcome to Ribosome Institute. It gives us immense pleasure to see interest for pursuing outstanding career in AIIMS nad NEET National/Regional level Medical Institute. At Ribosome Institute. You will find requisite guidance and support to reality. We created this state-of-the-art training institution so that this competitive word. Our purpose is to provide unique methods of training utilising an alternative style of instructions.

We want to be your gateway to the future.

Dr. Sudhir Kag
(Expert for Competitive Exams)

As a parent, you definitely want the best for your child; and we are happy to be working with you to make sure that they are given the true knowledge to face the challenges in their career. The talent and the energy which our students process need to be nurtured, shaped and channeled in the right direction.

An important role Ribosome plays at this end is it link depth and breadth of energy and experience to the enthusiasm and intelligence of this generation of Achievers. Our combined efforts would bring out not only the best in their careers, but the best in their lives.

Dr. Komal Kag
(Academic Director)

Why are you join Ribosome

In-depth Teaching Methodology

Team Ribosome is well-versed with competent teaching techniques and is committed towards delivering excellence. Students are taught basic, fundamental concepts and encouraged to apply it smartly to solve the problems. This not only helps them to perform well in their school curriculum but also develop study strategies to prepare for competitive exams.

Rendering Education with Values

at Ribosome Institute, students are provided with an environment to help their personal, growth, knowledge base and career sailing. The faculty members believe in the inherent talent and abilities of the students and motivate them to believe perfection.

Personal Attention

We follow "Wholesome" policy for teaching which not only includes intelligent and above-average students but students with average intelligence too.

Unmatched Results

Ribosome Institute is successful due to its versatile teaching approaches and student focussed strategies. Numerous students have made it to the prestigious AIIMS, GMC Ratlam, MGM Indore, GRMC Gwalior examinations. Consistent selections in NEET highlight our dedication towards education.

Infrastructure and Location

High Class Infrastructure located at prime location and owned premises. The premises is fully covered with separate parking. Building Furniture and facility making a educational environment there helpful for student.

Systematic Approach

AT the onset, students are made to understand the fundamentals and basics of the subject, after which the technical and detailed parts are taught. Regular test-series are sheduled to analyse students' comprehension levels. Test answers its variations and every student's performance are discussed in lengths to help him/her perform batter in the next exam.

Qualified and Experienced Faculty

Faculties from Indore, Bhopal, Delhi, Mumbai, and other cities form pillars of the Institute. These intelligent minds are know for their perfection and dedication. Qualified, Competent, caring motivated and accountable teaching members ensure positive and upward moments of the students.

Fee Concession

To make learning affordable, scholarship exams every year other are conducted regularly to assess potential of the students. In addition to these exams. special grants are available for children for girl student and physically challenged students. our endeavour is to support and motivate each and every deserving student.

Competitive and Learning Environment

We boast of our exhaustive collection of practise questions and relevant study material. Students are provided with smart study strategies to manage their course ant time schedule. Students are always encouraged to ask their doubts in the class. We believes in making technocrats imbided with virtues of responsible achievers.
